During the investigation, the surveyor reviewed video footage recorded on 2/24/2022, and found the following inappropriate actions conducted by a staff person:

The staff person was observed holding the child, sitting with him on the floor, and holding him around her hip. Next, she picked up the child, carried him on her hip, and exited the classroom in an aggressive manner. These actions were observed at 4:53 pm, 4:54 pm, 4:55 pm, 4:57 pm, 4:58 pm, and 4:59 pm.
