Section 12. Reports. (2) An incident of child abuse or neglect shall be reported to the cabinet pursuant to KRS 620.030. **Findings:** General: Based on interview, it was found that an incident involving a staff person scratching a child was not reported to the Department for Community Based Services. After a discussion with the director, it was determined that she had not reported this because it was an accident. This incident was discovered by the DCBS worker as she was interviewing another staff person about a separate allegation. HSS notes that this incident occured in June of 2018 and was not brought to the attention of DCBS until approximately May of 2019. **Director Requirements Not In Compliance** 350 - Health, Safety, Comfort **Not In Compliance**

922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall:

(I) Assure the health, safety, and comfort of each child;

Findings:

General: Based on interview and review of documentation, it was found that a child at the facility recieved scratch marks from a staff member as a result of the staff member moving to child to wash her hands. After speaking with other staff members, it was found that this was an accident; however, the staff was still terminated from the facility. In addition, after reviewing the termination letter it brought up concerns with the marks left on the child.
