922 KAR 2:120. Section 2. Child Care Services.

(4) The child-care center shall provide a daily planned program:

(d) Unless the child-care center is a before- or after-school program that operates part day or less, that offers a variety of creative activities including the following:

12. The use of screen time, electronic viewing and listening devices if the:

- a. Material is developmentally appropriate to the child using the equipment;
- b. Material is not a replacement for active play or a substitute for engagement and interaction with other children and adults;
- c. Material does not include any violence, adult content viewing, or inappropriate language;
- d. Child is over twenty-four (24) months of age;
- e. Viewing or listening is discussed with parents beforehand; and
- f. Viewing or listening is designed as an educational tool used to help children explore, create, problem solve, interact, and learn with and from one another.

(5) Screen time shall be:

(a) Utilized for:

- 1. A maximum of thirty (30) minutes per day in a half-day program;
- 3. The time needed for school-age children to complete assigned non-traditional instruction; and

(b) Prohibited for a child under twenty-four (24) months of age.

(6) A child who does not wish to use an electronic device during the planned program shall be offered other appropriate activities.

Findings:

General: Based on observation and interview, a child viewed cartoons on a tablet for approximately forty-five (45) minutes on 08/24/22 during nap time, while other children napped in the four-and five-year-olds' classroom.

922 KAR 2:120. Section 3. General Requirements.

(1) Screen time, electronic viewing and listening devices shall only be used in the center as a part of the child's planned program of activity as established in Section 2(4) and (5) of this administrative regulation.

Findings:

General: Based on observation, interview and review of documentation, a child viewed cartoons on a tablet for approximately forty-five (45) minutes during naptime on 08/24/22 in the four-and five-year-olds' classroom. The screen time was not a part of the planned program of activity.
