Inspection Report	
Supervision	Not In Compliance
<b>90 - Children Supervised</b>	<b>Not In Compliance</b>
<p><b>922 KAR 2:120. Section 2. Child Care Services.</b>  <b>(3)(a) Each center shall maintain a child-care program that assures each child shall be:</b>  <b>1. Provided with adequate supervision at all times by a qualified staff person who ensures the child is:</b>  <b>a. Within scope of vision and range of voice; or</b>  <b>b. For a school-age child, within scope of vision or range of voice;</b></p>	
<b>Findings:</b>	
General: Based on interviews, the surveyor learned that a three-year-old child walked out of the classroom and out the front door, behind a staff person. The staff person was unaware the child was behind her exiting the child care center. The staff then saw the child on the sidewalk. Therefore, the center failed to ensure that the child was within scope of vision and range of voice.	
<b>Staffing Requirements</b>	<b>In Compliance</b>
