Findings:

General: Based on interview, child care center staff failed to report two (2) separate incidents of suspected abuse or neglect of a child. One (1) parent reported concerns in August of 2016 to the center Director in regards to one (1) staff member (DOH: 09/21/15) "squeezing" a four-year-old child's hand. Another parent reported concerns to the center Director in regards to one (1) staff member (DOH: 09/21/15) allegedly "hitting" a two-year-old child on the legs and arms. Upon interview, the Director reported that she did not report the allegations due to there being no marks or bruising on the children. The Director did not provide any documentation concerning either allegation.
