It was stated that seven (7) two-year-old children were left unsupervised on 3/20/17 for an undetermined amount of time. In an interview with staff it was found that one (1) staff person left the Twos classroom to go to the restroom, leaving one (1) staff alone with seven (7) children that were eating breakfast. It was stated that the other staff person returned to the classroom approximately five (5) minutes later. 2. On 4/12/17 it was reported that a staff person left eight (8) two-year-old children unsupervised for approximately one (1) to two (2) minutes. A staff person that was in the front office with a parent stated that she saw the staff person from the Twos classroom walk out the front door of the facility at 8:29 a.m. The staff person in the office stated that she finished with the parent then left the office to see who was supervising the children in the Twos classroom.
