1255 - Emergency Regulation	Not In Compliance
922 KAR 2:405E. Emergency Regulation.	
Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:405E, to prevent the spread of COVID-19.	
Findings:	
General: Based on observation and interview, a staff member closely interacted with children on the playground with her face mask pulled below her chin, exposing her nose and mouth. Additionally, six school age children were observed to not wear a face mask. Interview with the staff member supervising the children revealed that the children ranged in age from seven (7) years to nine (9) years old.
