1255 - Emergency Regulation **Not In Compliance**

922 KAR 2:405E. Emergency Regulation.
Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:405E, to prevent the spread of COVID-19.

Findings:

General: Based on interview and review of documentation, the child care center failed to comply with regulatory background check requirements in accordance with emergency regulations. Upon request, the child care center failed to provide completed background check information for a staff person with a hire date of 10/30/2020. There was no evidence a Child Abuse/Neglect Check for the staff person was submitted. Interviews also revealed the staff person had supervisory control of children, however, was never left alone.
