#### **Inspection Report**

660 - Staff Hygiene/Handwashing	
---------------------------------	--

# 922 KAR 2:120. Section 3. General Requirements.

## (5) Staff shall:

(a) Maintain personal cleanliness;

(b) Conform to hygienic practices while on duty;

- (c) Except as established in paragraph (d) of this subsection, wash their hands with liquid soap and running water:
- 1. Upon arrival at the center;
- 2. After toileting or assisting a child in toileting;
- 3. Before and after diapering each child;
- 4. After wiping or blowing a child's or own nose;
- 5. After handling animals;
- 6. After caring for a sick child;
- 7. Before and after feeding a child or eating;
- 8. Before dispensing medication;
- 9. After smoking or vaping; and
- 10. If possible, before administering first aid; and

(d) Use hand sanitizer or hand-sanitizing wipes if liquid soap and warm running water are not available in accordance with paragraph (c) of this subsection. The staff shall wash the staff's hands as soon as practicable once liquid soap and warm running water are available.

#### Findings:

General: Based on observation, two (2) caregivers did not wash their hands with liquid soap and warm running water when they arrived in the preschool room.

A caregiver did not wash her hands with soap and warm running water when she arrived in the two-year-olds' room.

A caregiver did not wash her hands with soap and warm running water when she arrived in the infants' room.

A caregiver wore gloves but did not wash her hands with liquid soap and warm running water before and after she diapered three (3) children in the one and one-half-year-olds' room.

A caregiver wore gloves but did not wash her hands with liquid soap and warm running water before and after she diapered a child in the two-year-olds' room.

A caregiver did not wash her hands with liquid soap and warm running water after she wiped three (3) children's noses in the one and one-half-year-olds' room. Interviews and observation revealed the staff used hand sanitizer.

#### 695 - Diapering Practice

922 KAR 2:120. Section 10. Toilet, Diapering, and Toiletry Requirements. (12) Staff shall disinfect the diapering surface after each child is diapered.

(13) If staff wears disposable gloves, the gloves shall be changed and disposed after each child is diapered.

#### Findings:

General: Based on observation, a caregiver did not disinfect the diaper changing mat after she diapered a child in the two-year-olds' room. Observation and interview revealed the caregiver used soap and water to clean the mat.

**Not In Compliance** 

## 745 - Playground Clean

### 922 KAR 2:120. Section 4. Premises Requirements.

- (20) An outdoor play area shall be:
- (c) Free from:
- 1. Litter;
- 2. Glass;
- 3. Rubbish; and
- 4. Flammable materials;

### Findings:

General: Based on observation, five (5) empty milk cartons, four (4) empty water bottles, an empty Coke bottle, an empty Powerade bottle, an empty Gatorade bottle, a used round tin pan, pieces of paper, an empty tissue box, a cardboard toilet paper spool, an empty drink can, an empty cigarette box and a used partially smoked cigarette were scattered on the ground of the large playground.

## 750 - Playground Conditions

922 KAR 2:120. Section 4. Premises Requirements.

(20) An outdoor play area shall be:

(d) Safe from foreseeable hazard;

(e) Well drained;

- (f) Well maintained;
- (g) In good repair; and

# (h) Visible to staff at all times.

## Findings:

General: Based on observation, an accumulation of sticks and leaves were spread across the ground on the back playground. A six (6) feet long tree root was raised approximately five (5) inches from the ground and a foot long tree root was raised approximately two (2) inches from the ground. They each created a tripping hazard on the large playground.

A child first date of attendance on 12/02/2020, had an immunization certificate on file that was current until 02/23/2021. A child first date of attendance on 02/05/18, had an immunization certificate on file that was current until 03/01/2021.

### **Inspection Report**

1140 - Enrollment Information	Not In Compliance
922 KAR 2:090. Section 9. Records.	
(1) A child-care center shall maintain:	
(b) A written record for each child:	
1. Completed and signed by the child's parent;	
2. Retained on file on the first day the child attends the child-care center; and	
3. To contain:	
a. Identifying information about the child, which includes, at a minimum, the child's name, address, and date of birth;	
b. Contact information to enable a person in charge to contact the child's:	
(i) Parent at the parent's home or place of employment;	
(ii) Family physician; and	
(iii) Preferred hospital;	
c. The name of each person who is designated in writing to pick-up the child;	
d. The child's general health status and medical history including, if applicable:	
(i) Allergies;	
(ii) Restriction on the child's participation in activities with specific instructions from the child's parent or health professional	i; and
(iii) Permission from the parent for third-party professional services in the child-care center;	
e. The name and phone number of each person to be contacted in an emergency involving or impacting the child;	

f. Authorization by the parent for the child-care center to seek emergency medical care for the child in the parent's absence;

#### Findings:

General: Based on review of documentation, a child first date of attendance on 09/02/19, and a child first date of attendance on 11/13/18, each did not have allergy information documented.

	Written Documentation	Not In Compliance
150 - Evacuation Plan		Not In Compliance
922 KAR 2:090. Section 5. Evacuation Plan. (1) A licensed child-care center shall have a written eva pose a health or safety hazard for a child in care in acco	acuation plan in the event of a fire, natural disaster, or other ordance with KRS 199.895 and 42 U.S.C. 9858c(c)(2)(U).	threatening situation that may
Findings:		
General: Based on interview and review of documentation, the cent was last updated on 04/01/19.	nter's written evacuation plan was not updated each year in accordance with	h KRS 199.895. The evacuation plan
155 - Policies and Procedures		Not In Compliance
<ul> <li>922 KAR 2:090. Section 8. General.</li> <li>(4) Program policies and procedures shall: <ul> <li>(a) Be in writing; and</li> <li>(b) Include: <ul> <li>1. Staff policies;</li> <li>2. Job descriptions;</li> <li>3. An organization chart;</li> </ul> </li> </ul></li></ul>		

4. Chain of command; and

5. Other procedures necessary to ensure implementation of:

a. KRS 199.898, Rights for children in child-care programs and their parents, custodians, or guardians - posting and distribution requirements; b. 922 KAR 2:120, Child-care center health and safety standards;

- c. 922 KAR 2:280, Background checks for child care staff members, reporting requirements, and appeals; and
- d. This administrative regulation.

### Findings:

General: Based on interview and review of documentation, the center did not have a written smoking policy. Interview revealed there was a verbal smoking policy for staff to smoke beside the building out of view of children.

## **Posted Documentation Not In Compliance** 1215 - Daily Activities Not In Compliance 922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (h) Post a schedule of daily activities, to include dates and times of activities to be conducted with the children in each classroom; Findings: General: Based on review of documentation, the daily schedule was dated January 2021 in the four and five-year-olds' room. Animals
