922 KAR 2:090. Section 10. Director Requirements and Responsibilities.	
(1) A director shall:	
(l) Assure the health, safety, and comfort of each child;	
Findings:	
General: Interviews revealed that a one-year-old child fell from the top of a wooden step stool onto the hard floor causing an immediate bruise on her forehead between 10:00am and 11:00am. Interviews revealed that as the day progressed, the injury began to raise and turn purple. Interview and review of documentation revealed that no first aid was administered to the child at any time after the incident occurred and her mother was not contacted to seek medical care until 4:30pm after the child began to vomit.	
355 - Parent Notification	Not In Compliance
922 KAR 2:090. Section 10. Director Requirements and Responsibilities.	
(1) A director shall:	
(m) Notify the parent immediately of an accident or incident requiring medical treatment of a child;	
Findings:	
General: Interviews revealed that a one-year-old child fell from the top of a wooden step stool onto the hard floor causing an immediate bruise on her forehead between 10:00am and 11:00am. Interviews and review of documentation revealed that the parent of the child was not immediately contacted after the incident even though the child was visibly injured. Interviews revealed that after naptime, staff members noticed that the wound had raised and turned purple color and the parent was not contacted to seek medical care. Interviews revealed that the aforementioned child's parent was not contacted until five and one-half (5 1/2) hours after the initial incident occurred.
