# 210 - Licensee Responsibility

922 KAR 2:090. Section 8. General.

(1) A licensee shall:

(a) Be responsible for the operation of the child-care center pursuant to this administrative regulation, 922 KAR 2:120, and 922 KAR 2:280; and (b) Protect and assure the health, safety, and comfort of each child.

#### Findings:

General: Based on observation and review of documentation, this regulatory requirement was not met. The following was found:

1. A staff member hired on 7/20/2020, did not have written evidence of completing an out-of-state criminal background check. This staff member has lived in Arizona within the last five years. This staff member was observed working alone with a group of four children in the Preschool Room from approximately 10:30 AM until the surveyor concluded the survey at 11:36 AM.

2. A staff member hired on 11/10/2020, did not have written evidence of completing a Kentucky criminal background check. This staff member has also lived out-of-state within the last five years. This staff member did not have an Ohio criminal background check on file. This staff member was not working alone during the renewal survey.

#### **Director Requirements**

## Not In Compliance

Not In Compliance

922 KAR 2:090. Section 10. Director Requirements and Responsibilities.

(1) A director shall:

345 - Staff Evaluation

(j) Assess each staff person's interaction with children in care and classroom performance through an annual written performance evaluation;

# Findings:

General: Based on observation and review of documentation, this regulatory requirement was not met. A substitute staff member hired on 4/15/2019, did not have an evaluation on file.

60 - Caregiver Alone	
	Not In Compliance
922 KAR 2:090. Section 10. Director Requirements and Responsibilities.	
(1) A director shall: (m) Assure that a person acting as a caregiver of a child in care shall not be left alone with a child, if the licensee has not	received the results of
the background checks as described in 922 KAR 2:280;	
Findings:	
Based on record review and observation, this regulatory requirement was not met. A staff hired on 7/20/2020, did not have written evidence of comple background check. This staff member has lived in Arizona within the last five years. This staff member was observed working alone with a group of fo Room from approximately 10:30 AM until the surveyor concluded the survey at 11:36 AM.
