Supervision	Not In Compliance
90 - Children Supervised	Not In Compliance
<p>922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who ensures the child is: a. Within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice;</p> <p>Findings: General: Based on interview, staff person stated that on 01/29/2020, at approximately 7:45am, she was in the Wobbler classroom with only one child in the room who was nine-months-old. She stated that she was sitting in a chair at the diaper changing cabinet with the doors open getting diaper supplies out. She stated that when she closed the cabinet, the child cried out and she realized the child's finger was smashed in the door. She stated that she did not realize the child was standing up against the right side of the cabinet and had his finger(s) in the doorway. She stated that first aid was administered and parents were notified.</p>	
Staffing Requirements	In Compliance
Director Requirements	Not In Compliance
350 - Health, Safety, Comfort	Not In Compliance
<p>922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (l) Assure the health, safety, and comfort of each child;</p> <p>Findings: General: Based on observation and interview, the staff person in charge stated that on 01/29/2020, a nine-month-old child got his finger smashed in a diaper storage cabinet in the Wobbler classroom when a staff person shut the cabinet door without knowing the child was in contact with the door. The staff person involved in the incident stated that she was at the diaper storage cabinet retrieving diapers and did not know the child had his finger in the door when she closed the cabinet. The teacher stated that he was the only child in the classroom when the incident occurred and she immediately administered first aid to the child. The child's parents were notified. Based on interview with the parent, the child's fingernail came off and he received stitches internally and externally to the tip of his finger, but the doctor stated that the child's finger should heal correctly over time.</p>
