1260 - Emergency Regulation **Not In Compliance**

922 KAR 2:410E. Emergency Regulation.
Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:410E, to prevent the spread of COVID-19.

Findings:

Based on observation, the temperature of the surveyor was not taken before the surveyor was permitted entry into the child care center. During interview, staff stated that they were aware they needed to take the surveyor's temperature upon entrance to the center.

This deficiency was cited due to the following E-Reg: 922 KAR 2:415E

Section 7. Screening and Illness Requirements. (1) Children and adults shall be screened for fever and contagious symptoms upon entry into the child care center or family child care home each day and shall not be allowed to enter if displaying a contagious fever or symptom of COVID-19.
