922 KAR 2:090. Section 8. General.
(1) A licensee shall:
(a) Be responsible for the operation of the child-care center pursuant to this administrative regulation, 922 KAR 2:120, and 922 KAR 2:280; and
(b) Protect and assure the health, safety, and comfort of each child.

Findings:

General: Based on interview and review of documentation, this regulatory requirement was not met. A staff member in the School-aged classroom inappropriately handled a child in care. The staff member held a child against the wall, resulting in an injury to the child. The child was taken to Saint Elizabeth and confirmed to have a rib contusion as a result of the staff member's actions. It is important to note the staff person is no longer employed by the facility.
