**1255 - Emergency Regulation**

**Not In Compliance**

**922 KAR 2:405E. Emergency Regulation.**

**Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:405E, to prevent the spread of COVID-19.**

**Findings:**

General: Based on observation and interview, the center failed to ensure:

1. Each adult, including parents and guardians at drop-off and pick-up, shall wear a face mask while inside a child care center or family child care home, in accordance with 922 KAR 2:405E Section 8 (1). Based on observation three (3) caregivers did not wear a face mask while inside the center on 11/20/2020.
2. New staff shall undergo name-based background in accordance with 922 KAR 2:405E Section 11(5). Four (4) caregivers, hired on 11/17/20, 10/23/20, 11/16/20, and 6/30/20, did not have files available for review; therefore, it could not be verified that a name-based criminal records check and a child abuse and neglect check were completed. Interview determined the staff files were not at the center because a staff had taken the files home.
