922 KAR 2:110. Section 4. Director Requirements and Responsibilities. (1) Effective with the adoption of this administrative regulation, a director shall: (I) Provide for the health, safety, and comfort of each child;		
Findings: General: Based on Interview, a staff person placed a plastic cup containing water into a microwave to heat up for a bottle. She stated that the water was in the microwave for approximately forty (40) to forty five (45) seconds. She then sat the cup next to the microwave while she got a bib for another child. An eleven (11) month old child pulled up to the table where the cup was sitting and tipped the cup over while the staff person had her back to the child. The child received first and second degree burns on her arm, face and fingers.
