922 KAR 2:090. Section 10. Director Requirements and Responsibilities. (1) A director shall: (l) Assure the health, safety, and comfort of each child;		
Findings: General: Based on observation and interview, a caregiver held an eleven-month-old infant and began to walk across the room in the older infants' room on 03/12/2020. Several toys were scattered on the floor. The caregiver stepped on a toy fire truck with wheels and she and the infant fell to the tile floor. The child rested on top of a toy and received a red mark on the back of the head and back. An interview revealed the scattered toys were present on the floor as a result of the caregivers not picking up the toys after playtime.
