Conoral: Based on Observation, the family shild care home for	iled to maintain the promises in accordance with regulatory reg	uiromonte. The wire fonce was no longer attached to t

General: Based on Observation, the family child care home failed to maintain the premises in accordance with regulatory requirements. The wire fence was no longer attached to the metal pole located behind the tree and by the side street on the outside play area. There were sharp metal pieces protruding onto the outside play area by the chicken wire being used to cover the hole in the fence.
