Based on review of documentation and interview, the child care center director failed to assure compliance with regulatory requirements in regards to the health, safety and comfort of a child in care. Review of video footage revealed a staff member with the hire date 6/10/11 took a toy away from a child, grabbed the child in the arm area and then had her face very close to the child's face. Interview with the director revealed an acknowledgement that the aforementioned incident happened.
