<p>922 KAR 2:110. Section 4. Director Requirements and Responsibilities. (1) Effective with the adoption of this administrative regulation, a director shall: (l) Provide for the health, safety, and comfort of each child;</p>	
<p>Findings: Based on interview, a four (4) year old child fell off a slide while playing on the playground and began crying holding her left arm. The staff person did not take the child's coat off to see if her arm was okay and did not call the parents. It was later determined that the child's arm was broken. According to the incident report she fell off the slide around 5:25pm and her father picked her up at 5:30pm. However, interview with parent stated that when child was picked up at 5:30pm he was told that the child fell off the slide around 5:00pm but the teacher did not think anything was wrong with the child so no one was called at that time.</p>
