Inspection Report	
Director Requirements	Not In Compliance
<b>265 - Health, Safety, Comfort</b>	<b>Not In Compliance</b>
<b>922 KAR 2:110. Section 4. Director Requirements and Responsibilities.</b>	
<b>(1) Effective with the adoption of this administrative regulation, a director shall:</b>	
<b>(l) Provide for the health, safety, and comfort of each child;</b>	
<b>Findings:</b>	
General: Based on Interview, and a review of documentation, the child care center director failed to assure compliance with regulatory requirements. Interviews with staff revealed two (2) male staff members admitted to physically restraining a child when the child exhibited inappropriate behavior. Interview with the staff members revealed that a ten (10) year old male child has been removed from a situation by physically carrying the child to another area. Continued interviews failed to reveal that the aforementioned child's, or other children's safety, was at any time threatened. A review of the Parent Handbook revealed that "gentle, physical restraint" may be used if necessary.
