| | No. of Children Present: 37 | |

| Inspection Report | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| Supervision | In Compliance |
| Staffing Requirements | In Compliance |
| Director Requirements | Not In Compliance |
| 350 - Health, Safety, Comfort | Not In Compliance |
| 922 KAR 2:090. Section 10. Director Requirements and Responsibilities. | |
| (1) A director shall: | |
| (l) Assure the health, safety, and comfort of each child; | |
| Findings: | |
| General: Based on interview and review of documentation, the child care center director failed to assure the health, safety and comfort of enrolled children. Based on information obtained from interviews, the health, safety and comfort of at least two (2) preschool children were jeopardized when a staff member inappropriately touched the children in their pelvic regions while the children were on nap cots and while the staff member was the only adult in the room. | |
