<b>1260 - Emergency Regulation</b>		<b>Not In Compliance</b>
<b>922 KAR 2:410E. Emergency Regulation.</b> <b>Due to the current declared public health emergency caused by the Novel Coronavirus Disease (COVID-19), licensed child care centers must operate under Centers for Disease Control and Prevention and public health guidelines, as mandated by 922 KAR 2:410E, to prevent the spread of COVID-19.</b>		
<b>Findings:</b> General: The child care center failed to comply with the regulatory requirements specific to the current pandemic as established in 922 KAR 2:410e. The referenced emergency regulations prohibit children from interacting with children within other groups throughout the day. Observation and interview with all staff members present revealed the children from various classrooms were combined in the mornings from 6:00 a.m until 8:00a.m. They were dispersed to their assigned rooms at 8:00a.m.
