1 staff for 25 children																																																							
(for before and after school)	30																																																						
1 staff for 20 children																																																							
(full day of care)	30																																																						
Findings:																																																							
<p>General: Based on interview, two (2) caregivers supervised thirty-two (32) children outside on the playground for thirty (30) minutes on 06/20/17. Interviews revealed two (2) classrooms combined while the children were in the outside play area. While the two (2) classroom were on the playground, a child was injured during a relay race when two (2) children collided. One child hit his mouth on the second child's head. One child was taken to the dentist for his tooth to be examined.</p>
