922 KAR 2:090. Section 11. Staff Requirements.

- (16) In accordance with KRS 199.896(15) and (16), a staff person with supervisory authority over a child shall complete the following:
- (a) Six (6) hours of cabinet-approved orientation completed within the first three (3) months of employment in a child-care program;
 - (b) Nine (9) hours of cabinet-approved early care and education training within the first year of employment in a child care program, including one and one-half (1 ½) hours of cabinet-approved pediatric abusive head trauma training; and
 - (c) Fifteen (15) hours of cabinet-approved early care and education training completed between July 1 and the following June 30 of each subsequent year of employment in a child care program, including one and one-half (1 ½) hours of cabinet-approved pediatric abusive head trauma training completed once every five (5) years.
- (17) A staff person's compliance with training requirements of this section shall be verified through the cabinet-designated database maintained pursuant to 922 KAR 2:240.

Findings:

General: Based on review of documentation, two staff members (07/23/2019 and 08/18/2021) did not have evidence of completing 15 hours of annual early care and education training on file in the facility. A review of ECE-TRIS records supports the information found during the survey.
