Staff Changes

Notes

Deficiency Notice (Additional Text)

As we discussed, religious exemptions are not allowed in daycares. I have a note about the Safe Sleep Policy needing to be signed by all caregivers. I believe that was found at the end of the survey. If not, remember to have this in the facility.

Remember to get the special health needs form for child #2.

The Children's Identification list will appear at the end of the survey tool.

37.95.140.7.: Documentation of immunization status for purposes of this rule consists of a completed Montana certificate of immunization form (HES-101), including the date of birth, the name of each vaccine provided, and the month, day, and year of each vaccination.

Deficiency

30. Child File Review

The intent of this rule was not met:

Based on record review, child # 3 did not have immunizations in his file and child #2 needs a possible update on immunizations.

The Plan of Correction was accepted on 9-13-18.

37.95.141.5.: Prior to a child being enrolled or entered into a day care facility, the following information must be on file:

Deficiency

The intent of this rule was not met:

Based on record review, children #1 and 3 did not have the state emergency consent form and child #2 needed a parent signature on the emergency consent form. See enclosed copy of children's record review.

The Plan of Correction was accepted on 9-13-18.

Deficiency (continued)

37.95.128.1.:A day care facility must have on file a health record form, provided by the department, concerning any special health risks that would affect other children. This must be obtained and kept on file by the provider prior to residence or enrollment of any child under age two at the day care facility. The health record form must be signed by:

Deficiency

The intent of this rule was not met:

Based on record review, children #3 and #4 (under age two) did not have a pediatric health record. See enclosed copy of children's record review.

The Plan of Correction was accepted on 9-13-18.
